Following is a list of shipments which arrived in Vienna from the USSR for the Soviet-administered Zistersdorf oil companies during the period 9 August through 8 October 1948. With two exceptions, all of these shipments were received at the Ostbahnhof; the second shipment listed came into the Matzleinsdorf freight yards, and the last one shown arrived at the Nordwestbahnhof.

25X1 Comment: This list is a continuation of similar
25X1 shipments during the period 15 June through 2 August 1948. It is assumed that
25X1 shipments described below were handled upon arrival in Vienna in the same man-
25X1 ner
25X1

Arrival date	Quantity	Content	Point of origin in USSR
9 August	14,370 kgs.	Iron pipe	Gorki
12 August	1 carload	Slush pumps with spare parts	Not indicated
16 August	1 each	Diesel engine weighing 3,300 kgs.	Marx City Communist Factory <input type="text"/> Comment: A factory in the town of Marks may be meant, or the same point of origin as for the diesel engines received on 29 September, listed below.)
